### PRESIDENTS MESSAGE

It looks like we made it through the first leg of the holiday season and now onto the end of the year and closing out a crazy and wild one. Floridians went through two nasty hurricanes and although there was much damage done by Mother Nature, true to form we survived and are currently on the road to recovery. It will take time but with the help of many, including our lodge, the future looks a little brighter.

In our former home, the once great state of New York, times are tough. Crime is going through the roof and no one seems to care. There used to be a judge in NYC who was given the moniker of "Cut Em Loose Bruce." Well, now you can call all the judges in the state, and the District Attorney's, Cut Em Loose. When will it stop, once again your guess is as good as mine. Additionally gun laws in the state are in a state of flux. Private citizens, who want to legally carry firearms, are being pulled apart by restrictive laws and court cases regarding those restrictions. Of course this does not affect the criminal element, they still get their guns in the same manner, illegally.

In NYC the health care of retired first responders, and other city employees, is in a state of confusion. There is so much misinformation out there that to send out any information would only muddy the waters. We will wait and see and when the final decisions are made, by the powers that be, we will read it and give you a synopsis of the changes or non-changes. Until then cross your fingers and hope for the best.

As far as our lodge is concerned, I think we had a great year and the future of the lodge looks bright. Our annual picnic was attended by many from all parts of the state, it was our biggest one yet. That was followed by a few R.O.M.E.O. lunches which were also well attended. In April the HR218 cycle was a great success and was capped off by a night at the Mets minor league facility. In October we held our First Annual Golf Tourney. It was a great outing and everyone had a super time. Thank you Lodge Secretary Paul Read who has now been crowned our Golf Guru. Next years tournament has already been set for October 6th of 2023. Sign up early and beat the rush.

Our year finishes up with the infamous NY3100 holiday bash. It is coming up on December 14th and promises to be a great party. There is still room at one of the tables so if you are still inclined to attend let us know and we will give you a good seat.

It has always been a great way to end the year.

No matter what the the new year brings we will be there to support each other. Our fraternity is more than just a club we are all connected by our BLUE BLOOD AND HEARTS. Be safe out there, be aware of your surroundings and have a very happy holiday season.

*ARME DANSKY*

'ZAYAN SHAR' ARRESTED AFTER TOSSING COP LIKE A 'RAG DOLL'

## **Man' arrested After Fighting with NYPD Officers, Tossing One Like 'a Rag Doll'**

by Patrick Reilly - NY Post - 11.29.22

**Zayan Shar, 21, of Staten Island was arrested**

**A man was blocking traffic at a South Midwood intersection, then tussled with two NYPD officers who tried to move him along — tossing one of the cops to the ground like “a rag doll.”**

**The caught-on-video interaction happened at 4:20 p.m. Friday at Avenue H and Flatbuh Avenue near Brooklyn College.**

The “disorderly” man “disobeyed multiple lawful orders given by the officers to leave the roadway,” the NYPD said.

When the cops tried to arrest him, he became irate and started fighting, police said.

**The NYPD said the officer who was shoved to the ground was also punched in the face and had swelling and bruising. The other officer wasn't hurt.**

“It looks like the cops are afraid to use any force, physical or otherwise, and it's all compliments of the NYC Council,” said Joseph Giacalone, a retired NYPD sergeant and adjunct professor at John Jay College of Criminal Justice. “I've seen a number of viral videos that show the same thing — **NYPD cops trying to take a sole suspect into custody and can't do it because of all the rules imposed against them.**”

**Giacalone said the officers were lucky.**

“It could have ended very badly for them. Forget about the embarrassed part, I'm talking dead,” he said. “That kid could have done anything he wanted. He tossed that one cop like they were a rag doll.”

Social Security and Supplemental Security Income (SSI) benefits for approximately 70 million Americans will increase 8.7 percent in 2023.

The 8.7 percent cost-of-living adjustment (COLA) will begin with benefits payable to more than 65 million Social Security beneficiaries in January 2023. The earnings limit for workers who are younger than "full" retirement age (see [Full Retirement Age Chart](#)) will increase to \$21,240. (We deduct \$1 from benefits for each \$2 earned over \$21,240.)

The earnings limit for people reaching their "full" retirement age in 2023 will increase to \$56,520. (We deduct \$1 from benefits for each \$3 earned over \$56,520 until the month the worker turns "full" retirement age.)

There is no limit on earnings for workers who are "full" retirement age or older for the entire year.
